Due to an error in the editing process, the expressions  $\sum_{-\tau_l \leq t \leq 0}$  on p. 141 and  $\sum_{s \in i\mathbb{R}}$  on pp. 143–148 should be replaced by  $\sup_{-\tau_l \leq t \leq 0}$  and  $\sup_{s \in i\mathbb{R}}$ , respectively. The corrected paper will appear below as an attachment of this issue.
